Workshop Purpose: Enhancement of CY5 learning activities and potential implementation of the mentoring programme

- **Objective:** Enhance CY5's learning framework by integrating digital solutions.
- **Learning:** Acquire necessary insights from CY5 experts to develop a strategic roadmap.
- **German Expert Insights:** Secure valuable knowledge from German experts, uncovering the broad array of opportunities in learning and e-mentoring programs offered by pioneering organizations.

The Outcome

- **Ideas Exchange:** Collaborate on ways to elevate CYs's learning practices.
- **Roadmap Creation:** Formulate a forward-looking roadmap outlining key initiatives.
- **Network Development:** Build a network of experts that are willing to contribute to the enhancement of the learning framework
- **Mentoring Program Feasibility:** Consider the possibility of introducing a mentoring scheme.
